BIOCEB INDUCTION WEEK

for the Erasmus Mundus Bioceb students

Dear students,

The Bioceb Consortium has the pleasure to welcome you in the Erasmus Mundus Bioceb Programme, renowned for its academic excellence and international mobility.

It will provide you a multidisciplinary scientific knowledge base and a shared culture in the field of agro-resources and their conversion through biorefinery processes.

The University of Reims Champagne-Ardenne is delighted to welcome all international students for their first semester (S1) during the

« **BIOCEB INDUCTION WEEK** »

which will be held from 22 August to 26 August 2022.

You will be given the opportunity to familiarize rapidly with the City of Reims, the Region and the University.

You will get a lot of information step by step in real time, a lot of activities will take place and you will also meet international and local students.

We are delighted to invite you to the Bioceb 1st Cohort 2020-2022 Graduation Days which will take place from Friday, September 2nd, to Saturday, September 3rd, 2022, in Reims and Châlons-en-Champagne, in France.

The Graduation Days will occur alongside the Châlons-en-Champagne Agriculture Fair which is the second largest agriculture event in France and a strategic event for URCA and the Champagne-Ardenne region. Furthermore, this year for the first time, a Bioeconomy Village will be held within the Fair, co-organised by URCA, the Grand Est region and the Wallonia region (Belgium).

Please find below a provisional programme:

Friday, September 2nd

Official Graduation Ceremony - Reims City Hall:

- 6:00 p.m.: Official and students' speeches
- 7:15 p.m.: Graduation Ceremony
- 8:00 p.m.: Cocktail

Saturday, September 3rd

from 10:00 am to 5:00 pm:

Green Line Projects pitch session & meeting with professionals -

(Châlons-en-Champagne Agriculture Fair) - Village de la Bioéconomie

<https://foiredeschalons.com/>

A bus will be reserved for you

During the GLP pitch session, each GLP group will have 3 to 5 minutes to present its project. The idea is to popularise the work of bioceb students to a wider audience. Within the Bioeconomy Village, you will also have the opportunity to meet and discuss with Bioeconomy professionals.
